Due to the Coronavirus pandemic, public health measures have been implemented across Auburn's campus. Students should stay current with these practices and expectations through the campus reentry plan, [A Healthier U](#). The sections below provide expectations and conduct related to COVID-19 issues. **The following statements are items that faculty can consider including in your syllabi.**

Health and Participation in Class

You are expected to complete your Healthcheck screener daily.

Your health and safety, and the health and safety of your peers, are my top priorities. If you are experiencing any symptoms of COVID-19, or if you discover that you have been in close contact with others who have symptoms or who have tested positive, you must follow the instructions on the Healthcheck app. My hope is that if you are feeling ill or if you have been exposed to someone with the virus, you will stay home to protect others.

Please do the following in the event of an illness or COVID-related absence:

- Notify me in advance of your absence, if possible
- Provide me with medical documentation, if possible
- Keep up with coursework as much as possible
- Participate in class activities and submit assignments remotely as much as possible
- Notify me if you require a modification to the deadline of an assignment or exam
- Finally, if remaining in a class and fulfilling the necessary requirements becomes impossible due to illness or other COVID-related issues, please let me know as soon as possible so we can discuss your options.

Students with questions about COVID-related illnesses should reach out to the COVID Resource Center at (334) 844-6000 or at covidresourcecenter@auburn.edu.

Health and Well-Being Resources

These are difficult times, and academic and personal stress is a natural result. Everyone is encouraged to take care of themselves and their peers. If you need additional support, there are several resources on campus to assist you:

- COVID Resource Center (covidresourcecenter@auburn.edu)
- Student Counseling and Psychological Services (<http://wp.auburn.edu/scs/>)
- AU Medical Clinic (<https://cws.auburn.edu/aumc/>)
- If you or someone you know are experiencing food, housing or financial insecurity, please visit the Auburn Cares Office (<http://aucares.auburn.edu/>)

A Healthier U Campus Community Expectations

We are all responsible for protecting ourselves and our community. Please read about student expectations for fall semester, including completing the daily GuideSafe™ Healthcheck (<https://ahealthieru.auburn.edu/>).

You are expected to (1) take your temperature daily and (2) complete your Healthcheck screener to receive your A Healthier U pass. **You may be asked at any time during class to show your pass.**

Course Expectations Related to COVID-19:

- **Face Coverings:** As a member of the Auburn University academic community you are required to follow all university guidelines for personal safety with face coverings, physical distancing, and sanitation. Face coverings are required in this class and in all campus buildings. Note that face coverings must meet safety specifications, be worn correctly, and be socially appropriate.

You are required to wear your face coverings at all times. If you remove your face covering or are non-compliant with the university's [policy on face coverings](#), you will be instructed to leave the classroom and will be held to the protocols outlined in the [Auburn University Policy on Classroom Behavior](#). Any student who willfully refuses to wear a face covering and does not have a noted accommodation may be subject to disciplinary action.

- **Physical Distancing:** Students should observe appropriate physical distancing and follow all classroom signage/avoid congregating around doorways before or after class. If the instructional space has designated entrance and exit doors, you should use them. **Students should exit the instructional space immediately after the end of instruction to help ensure social distancing and allow for the persons attending the next scheduled class session to enter.**
- **Course Attendance:** If you are quarantined or otherwise need to miss class because you have been advised that you may have been exposed to COVID-19, you will be expected to develop a plan to keep up with your coursework during any such absences.
- **Course Meeting Schedule:** This course might not have a traditional meeting schedule in Fall 2020. Be sure to pay attention to any updates to the course schedule as the information in this syllabus may have changed. Please discuss any questions you have with me.
- **Technology Requirements:** This course may require particular technologies to complete coursework. If you need access to additional technological support, please contact the AU Bookstore at aubookstore@auburn.edu.

Disruptive or concerning classroom behavior involving the failure to wear a face covering, as directed by Auburn University, represents a potential Code of Student Conduct violation and may be reported as a non-academic violation. Please consult the [Classroom Behavior Policy](#).
