1. CANCELLATION POLICY

There are no refunds for cancellations after Friday, February 26, 2016! One half of the registration fee ($75.00 for Early Bird Registration* or $100.00 for Regular Registration) is charged for all cancellations prior to the deadline date whether the registration fee is paid in advance or not. We would like for all participants in our programs (events) to pay the total registration fee in full by the deadline date to keep your reservation. We understand that some might not be able to do this, so we are flexible in working with you. Let us know in advance and we will be happy to accommodate you. If your organization is registered for the event and no one shows up, your organization is expected to pay the balance due. Failure to pay event fees will cause us to block your organization from utilizing any services available through our office until the matter is cleared. Registration fees cannot be applied to future events.

Should you have to cancel, please call the Auburn University Career Center as soon as possible at 334.844.3862 and ask to speak with Diane Thorne, Special Events Registration Manager. An e-mail must be sent to Diane Thorne at thornde@auburn.edu explaining that you are officially canceling your organization’s participation in the event. Diane will send you an e-mail confirming your cancellation. It is important to keep a copy of this communication as documentation for future reference.

Please understand that once you have registered and received a confirmation, you must abide by the CANCELLATION POLICY. There are no exceptions!! Any questions or concerns should be directed to Melvin K. Smith, Special Events Coordinator, 334.844.4744 or mks@auburn.edu

We appreciate your cooperation and support in our programs!
