

PATHWAYS | ELECTRICAL ENGINEERING

SAMUEL GINN COLLEGE OF
ENGINEERING

Bachelor of Electrical Engineering

COURSE SELECTION

FRESHMAN

- Familiarize yourself with engineering requirements and explore interest areas
- Gateway courses: MATH1610/1620, PHYS 1600/1610, ENGR 1110/1100, COMP 1200 C Programming

- Maintain a good GPA, seek academic support early and often.
- Discuss course plan with your departmental advisor and have PIN reset.

- Gateway courses: ELEC 2120, ELEC 2210 and MATH 2660

- Discuss course plan and appropriate electives with your departmental advisor; have PIN reset.

- Gateway courses: ELEC 3030 and ELEC 3040

- Begin to synthesize materials and skills to complete senior design project
- Meet with your departmental advisor to register for classes and reset your PIN.

- Schedule a graduation check with an academic advisor in Engineering Student Services the semester before you graduate

SOPHOMORE

JUNIOR

SENIOR

ASK FOR ASSISTANCE

- Meet with your pre-engineering academic advisor each semester to discuss class schedule, academic plan and have your PIN reset.
- Check out free ESS tutoring to get off to a strong start. (eng.auburn.edu/current-students)
- Academic Support provides several *free* resources to improve performance including Study Partners, Supplemental Instruction and academic coaching. (auburn.edu/academicsupport)

Shelby Center, home of the College of Engineering student advising.

- Continue to take advantage of academic support services across campus.
- Meet with your departmental advisor to register for classes in your major field
- Meet with someone in Engineering Career Connections and/or AU Career Center to explore company options, receive individualized assistance and update your resume and cover letter.
- Meet with someone in the AU career center to explore career options, receive individualized assistance and update your resume and cover letter sample.
- Meet with Graduate Advisors in your department to learn about graduate opportunities

GAIN EXPERIENCE

- Attend CO-OP orientation
- Attend Internship and Part-Time Fair-Fall and/or Spring semester

- Visit the Engineering Career Connections office to help build a resume, find out about internships and on campus recruiting activity
- Participate in an internship or CO-OP, this adds valuable experience to your resume.

- Consider study abroad opportunities and seek out undergraduate research projects
- Attend professional development conferences, the STEM Career Expo, take industry tours
- If pursuing graduate school get involved with undergraduate research projects.

- Attend the STEM Career Expo, All Majors Career Fair and/or the Graduate and Professional School Fair

GET INVOLVED

- Check out AU Involve (auburn.edu/auinvolve) to identify organizations of interest.
- Check out Electrical Engineering opportunities like IEEE (eng.auburn.edu/current-students)

- Volunteer for engineering and campus events such as E-Day and BEST robotics

- Volunteer for engineering and campus events such as E-Day and BEST robotics

- Pursue leadership roles in an Engineering and University wide organizations to gain experience and enhance your resume

- If invited, consider joining Eta Kappa Nu, the International Honor Society for Electrical Engineers
- Seek out opportunities to work with summer camps and/or bridge programs

- Become involved with departmental alumni as a resource for job opportunities, internships and post-graduate work.

CAREER PLANNING

AUBURN UNIVERSITY CAREER CENTER

303 MARY MARTIN HALL | [AUBURN.EDU/CAREER](http://auburn.edu/career)

The program provides a broad course offering for individuals to pursue a variety of opportunities post graduation. Specifically, this program provides emphasis in circuit analysis, communications, control systems, digital computer design, electronics, electromagnetics, and power systems. Look for opportunities to explore outside of the classroom for best fit.

ELECTRICAL ENERGY TRANSMISSION ENGINEER

MINIMUM EDUCATION:

ENTRY LEVEL SALARY RANGE: \$52.0K - \$81.5K

INSTRUMENT AND CONTROL ENGINEER

MINIMUM EDUCATION:

ENTRY LEVEL SALARY RANGE: \$53.9K - \$78.2K

SATELLITE INSTRUMENTATION ENGINEER

MINIMUM EDUCATION:

ENTRY LEVEL SALARY RANGE: \$53.8K - \$74.3K

These are just three options out of many that electrical engineering majors pursue. For more career options be sure to check out "What Can I Do With a Major In..." on auburn.edu/career.
