

EASL 2 Go Pre-Proposal Worksheet

Goal/Question	Notes/Ideas
What kind of active learning do you want to encourage in this space?	
What are the impediments to active learning in the space?	
What do you need to achieve increased active learning in the space? Prioritize these.	
How will you collect insights about the change and share them?	

Final Proposal Questions:

1. Project Description including classrooms changes, anticipated impact on teaching and learning, and plans for dissemination.
2. Provide a detailed budget. For budget preparation assistance, contact Wiebke Kuhn for technology equipment or Anna Ruth Gatlin for non-technical collaborative equipment (such as white boards).
