

UCA, NCA, & UDA CAMPS

What to Expect at Auburn

REGISTRATION

Camp registration will be at the **Auburn Arena main entrance** on the north end of the building that faces the Village Dormitories. [Click here](#) for directions and map.

At the Auburn Arena, you will be greeted by Auburn Youth Programs staff that will help you with check-in. You will receive a coach's packet, check-in with your camp director, and then process through various check-in tables. To avoid congestion, we ask that campers wait outside while coaches check-in.

PARKING

Open parking is available in the "**Village West**" parking lot (located directly in front of the Village Dormitories). A parking permit is not required in this area. [Click here](#) for the map. Parking elsewhere can result in a \$50 ticket that must be paid to AU Parking Services.

HOUSING

Dorm/room assignments: To expedite your check-in process, please pre-register online prior to arriving at Auburn. If you have not received an email with the **housing link**, please contact our office at 334-844-5100 or summerexperience@auburn.edu to receive the link. During registration, your camp director will provide your preregistered online housing pairings and AU Housing will issue keys.

Early arrival: Squads are welcome to arrive the day before camp but must notify jeff.dyal@auburn.edu and indicate in special notes when registering squads for housing. The cost for housing is \$30 per person. Payment is due upon arrival. Checks should be made to "Auburn University."

Security: Do not allow anyone but your registered participants to enter the residence halls with you. Propping or holding open doors breaches the security of all residents of the hall. All exterior doors (including swipe card entry doors) are alarmed to prevent door propping. Non-chaperone parents are not allowed into the dormitories.

Commuters: If you are a commuter squad and staying off-campus, you must complete the housing information for the emergency locator list. When you arrive at the web site, simply uncheck the box "Staying in Dorms?" and enter the names of coaches and campers as though you are staying on campus. Please indicate in the special notes section that you will be commuting and campus meals you're requesting.

DINING

Shoe Tags: During registration, each head coach will sign their housing documents with an accurate head count and then count out shoe tags for each camper directly in front of them. Shoe tags **MUST** be worn and
