

## Peer Evaluation of Assessment Reports Opportunity

During the summer of 2022, selected faculty raters from across the university will experience assessment training and evaluate assessment reports. The feedback generated during this experience will be compiled into Assessment Feedback Reports that are disseminated to each academic degree program in the Fall semester. In addition to providing a valuable service to Auburn University, this experience is the most intensive assessment training offered by Auburn currently. For questions or more information please contact Dory Thompson ([djt0031@auburn.edu](mailto:djt0031@auburn.edu))

Faculty raters will be compensated for their time (\$200 a day for 5 business days; \$1000). The first two days of the institute will be delivered in-person. The remaining days will allow for work location flexibility.

**When:** July 11-15, 2022, with asynchronous pre-work not exceeding 5 hours
