

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

ALMA MATER

On the rolling plains of Dixie  
Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

### THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

### ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

### THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

### ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.
