

Clinical Rehabilitation Counseling (MEd)

Professional Licensure: Meets	Disclosure Statement
AL, AZ, CO, CT, DE, GA, HI, IA, ID, KS, KY, MA, MI, MO, MT, NC, ND, NE, NJ, NM, OH, PA, PR, RI, SD, TN, UT, WY	The Master of Education degree in Clinical Rehabilitation Counseling at Auburn University is accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP) . State professional counselor licensure boards do not specifically license rehabilitation counselors, but state professional counsel licensure and/or national Certified Rehabilitation Counselor (CRC) certification may be required to practice rehabilitation counseling in some settings or agencies. The program meets all educational and testing requirements needed to obtain national CRC certification. The program meets the educational requirements to obtain a professional counselor license in the following states. For detailed licensure requirements, please visit that state's licensing website.

Professional Licensure: Does not meet	Disclosure Statement
AK, AR, CA, DC, FL, IA, IL, IN, LA, MD, ME, MN, MS, NH, NV, NY, OK, OR, SC, TX, VA, VT, WA, WI, WV	The Master of Education degree in Clinical Rehabilitation Counseling at Auburn University is accredited by The Council for Accreditation of Counseling and Related Educational Programs (CACREP) . The program meets all educational and testing requirements needed to obtain national CRC certification. However, to obtain a state professional counselor license, some states require additional educational requirements beyond the curriculum required at Auburn; therefore, licensure requirements are not fulfilled. For detailed licensure requirements, please visit that state's licensing website.
