

Intervention for Students with Autism and Developmental Disabilities (GRCT)

Professional Licensure: Meets	Disclosure Statement
AK, AL, AZ, CT, HI, IA, KS, KY, LA, MA, MI, MO, MS, MT, ND, NV, OH, OK, OR, RI, SD, TN, TX, UT, VA, WA, WI	The Intervention for Students with Autism and Developmental Disabilities graduate certificate can meet educational requirements for the Behavior Analysis Certification Board (BACB) examination and certification. Students interested in pursuing the graduate certificate that leads to licensure will be required to take a (BACB) verified course sequence which is an additional three courses from the regular certificate program and be responsible for obtaining their own supervision hours, which is required for licensure. Additional state specific requirements may apply. The state board will evaluate each application in its entirety to make a final decision regarding state licensure. Please visit the state board for more information.

Professional Licensure: Does not meet	Disclosure Statement
MD, NY, VT	The Intervention for Students with Autism and Developmental Disabilities graduate certificate does not meet licensure requirements for the state of Maryland, New York, and Vermont.

Professional Licensure: Not Required	Disclosure Statement
