

Clinical Psychology (PhD)

Professional Licensure: Meets	Disclosure Statement
AK, AL, AR, AZ, CO, CT, DC, DE, FL, GA, HI, IA, ID, IL, IN, KS, KY, LA, MA, MD, ME, MN, MO, MS, MT, NC, ND, NE, NH, NM, NV, OH, OK, OR, PA, PR, RI, SC, SD, TN, TX, UT, VA, VT, WA, WI, WV, WY	Earning a doctoral degree from a program accredited by the American Psychological Association (APA) satisfies educational requirements for licensure. Auburn University's clinical psychology program is currently and has been continuously accredited by APA since 1981. Some states or territories might have further requirements that must be met to obtain licensure. For detailed licensure requirements, please visit that state or territory's licensing website, which can be accessed through the Association of State and Provincial Psychology Boards website.
Professional Licensure: Does not meet	Disclosure Statement
CA	Although a doctoral degree in clinical psychology is required, additional coursework or experience beyond what is routinely offered at the Clinical Psychology PhD Program at Auburn University may be required in California, including pre-license curriculum or training in: human sexuality (10 contact hours); alcoholism/chemical dependency detection and treatment (one semester or quarter); child abuse assessment (7 hours); spousal/partner abuse, detection, and intervention strategies (15 contact hours); aging and long-term care (6 contact hours); suicide risk and intervention (6 contact hours).
MI	Beginning on March 30, 2022, a one-time training in identifying victims of human trafficking must be completed before licensure. In addition, beginning June 1, 2022, completion of 2 hours of implicit bias training within the 5 years immediately preceding issuance of the license or registration is required
NJ	In addition to a doctoral degree from a program like the Clinical Psychology PhD Program at Auburn University, New Jersey requires the following breakdown of credits and topic areas: a) Six (6) semester credits in Personality Theory and Human Development Theory; b) Six (6) semester credits in Learning Theory and/or Physiological Psychology; c) Six (6) semester credits in Psychological Measurement and Psychological Assessment; d) Six (6) semester credits in Psychopathology; e) Six (6) semester credits in Psychological therapy/counseling or Industrial/organizational Psychology; f) Six (6) semester credits in Research and Statistical Design. Our curriculum addresses some, but not all, of these specific course requirements.
NY	In addition to a doctoral degree from a program like the Clinical Psychology PhD program at Auburn University, New York requires satisfaction of the Child Abuse Identification Reporting by completing coursework or training in the identification and reporting of child abuse in accordance with Section 6507(3)(a) of the Education Law.
