JOB SUMMARY

Reporting to the Department Head of Animal Sciences, the Livestock Judging Team Coach will oversee the Auburn University College of Agriculture's Livestock Judging Team and will manage all aspects of team recruitment, training, and competition.

RESPONSIBILITIES

- Oversees the Livestock Judging Team to include recruiting, team practices, travel arrangements, and competitions.
- Responsible for teaching introductory and advanced livestock evaluation and judging.
- Develops budgets in support of team practice, team travel, and team competitions.
- Develops funding opportunities through community, industry, and donor relations.
- Works closely with departmental academic advisors and faculty, and mentors undergraduate students. Ensures all students participating in Livestock Judging Team activities are in good academic standing at all times while engaged with the team, regardless of their competition status.
- Contributes to the needs of the department, the College of Agriculture, and Auburn University. Follows all University policies and procedures.
- Supports and delivers livestock evaluation and judging contests for youth in support of state-wide youth programming in the Department of Animal Sciences and the College of Agriculture.
- Develops and facilitates educational/informational programs and workshops in support of state, regional and national judging activities.
- Trains students, faculty, and staff on livestock evaluation and supports the undergraduate curriculum in the Department of Animal Sciences with expertise in livestock evaluation.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.
