JOB SUMMARY

Reporting to the University Risk Manager, this position has responsibility for providing assistance and technical support with the administration of the university's commercial property and casualty insurance programs, self-insured programs, and loss control and loss prevention programs. Specialist provides oversight and evaluation of On-the-Job Injury, Property, Casualty, and other types of claims and recommends solutions that minimize cost and ensure compliance with relevant policies and procedures.

RESPONSIBILITIES

- Assists with the design, selection, purchase, and management of the university’s risk financing program.
- Coordinates commercial insurance program, including preparing marketing submissions, negotiating renewals, managing endorsements, calculating insurance expense allocations, maintaining insurance schedules, and reporting financial information.
- Provides a comprehensive and technical review of all insurance documents (policies, endorsements, certificate of insurance) to ensure accuracy, identify gaps in coverage, and/or the need for additional risk financing or loss control measures.
- Identifies and analyzes risk exposures. Prioritizes, prepares, and implements effective risk controls or risk elimination measures.
- Provides advice and guidance campus-wide to University officials, administrators, faculty, and staff on the interpretation and application of the university’s insurance policies, loss control procedures, and related regulations. Develops and provides training/educational programs to disseminate this information to the University community.
- Provides service to various campus stakeholders by reviewing non-insurance documents such as Professional Service Contracts, Affiliation Agreements, and other contracts to mitigate risks by recommending appropriate insurance limits, hold harmless, and indemnity agreements.
- Partners with the university’s Third-Party Administrator, Legal Counsel, and/or Insurance Companies to respond, process, and settle claims and other legal filings presented to the university.
- Gathers and compiles data in the Risk Management Information System; prepares financial documents, reports, and budgets.
- Serves on university committees to provide input towards planning, decision-making, and actions that affect the university.
