Job Family:	Financial & Business Operations
Job Function:	Accounting & Finance

JOB SUMMARY

The Financial Analyst II, Endowment position supports financial reporting and analytics for Endowment funds. This includes assisting with recording financial portfolio values, producing reports, and supporting the annual independent financial audit for Auburn University and its related organizations.

RESPONSIBILITIES

- Assists in preparing and reviewing annual financial statement audit documentation and reports.
- Supports the annual independent audit engagement function for Auburn University and its institutionally-related organizations.
- Assists in calculating monthly market value for the University and its Foundation Endowment pools.
- Performs reconciliations and analysis between various financial statements and systems.
- Assists in due diligence processes and Endowment investment performance analysis.
- Creates accounting entries for investment activities.
- Establishes Endowment and related funds within the general ledger system, supervised by Financial Analyst III, Endowment.
- Reviews fund structures based on supporting documentation.
- Monitors custody bank transactions and manages internal fiscal controls ensuring accuracy and completeness of financial records in support of the University and its related organizations.
- Performs data analysis and special reports for senior leadership.
- Advises management and staff on financial and accounting matters relating to Endowment management best practices.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.
