JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Environmental Services

JOB SUMMARY

The Outreach/Education, Waste Reduction & Recycling Programs Specialist II plans, coordinates, delivers, and manages programs to accomplish department goals and objectives through outreach, education, communications, fieldwork, research, community assistance, and quality management. Ensures delivery of relevant, engaging, accessible, diverse, and inclusive mission-based experiences, digital resources, and other educational services, on-campus, online, and off-site. Performs varied duties and assignments under close supervision.

RESPONSIBILITIES

- Coordinates strategies, monitors solid waste and recycling programs, and implements plans for waste and recycling services; monitors and evaluates compliance with contracts.
- Plans, develops, and executes new waste reduction and recycling initiatives on campus; evaluates existing programs, processes, policies, and procedures; and develops markets for recyclable materials.
- Promotes waste reduction, waste management, and recycling to faculty, staff, students, and the university community through education, outreach, and training programs.
- Provides technical expertise to the university community on how to maximize waste reduction, manage waste, and recycle; remains current on legislative developments, state legislation, and local ordinances, as well as trends, practices, and procedures in the waste and recycling field.
- Answers questions and provides information to the public; investigates complaints and recommends corrective action. Resolves routine questions or problems, referring complex issues to supervisor.
- Evaluates the effectiveness of department activities; collects, compiles, and analyzes data; researches and prepares reports.
- Performs fieldwork, which may include, but is not limited to, waste assessments, waste audits, waste sorts, facility walk-throughs, and gathering data/measurements.
- Responsible for all aspects of the student intern program, including hiring, training, supervision, and performance feedback.
- May maintain files, databases, and electronic records of materials.
- Supports large-scale waste and recycling programs, such as game day and move-in.
- Develops marketing and communications plans and materials. Researches and composes content for dissemination through a variety of mediums, such as internal or external publications, brochures, posters, newsletters, websites, presentations, press releases, or packages, broadcast media.
- Plans and organizes special events and meetings, as well as participation at conferences or trade shows.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May supervise employees but supervision is not the main focus of the job.
