JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Design & Construction

JOB SUMMARY

Provides project planning and project management support to the Rural Studio facility.

RESPONSIBILITIES

- Provides assistance to faculty regarding project organization, project design review, construction logistics planning and management, and construction phase on-site supervision of student teams for design-build projects.
- Provides support to faculty with regard to project documentation and reporting.
- Provides documentation and support to the Rural Studio faculty and College of Architecture Design and Construction development team regarding project funding and in-kind material solicitations and donations.
- Serves as the on-site building supervisor and schedules materials and services for delivery.
- Prepares curriculum and course plans for assigned classes.
- Establishes daily job site activities and labor schedules.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
