JOB FAMILY AND FUNCTION

Job Family:	Academic Services & Administration
Job Function:	Academic Programs

JOB SUMMARY

Manages and directs the overall direction of academic related program(s) and service(s).

RESPONSIBILITIES

- Plans, directs, and manages activities to ensure that goals and objectives are accomplished within prescribed time frames and funding parameters.
- Provides the essential day-to-day management to ensure that contractual obligations are met and that programmatic aspects critical to the success of the project are implemented.
- Consistently reviews and evaluates project's programs to provide feedback and recommendations to partners.
- Oversees and monitors budget and grant funding to ensure expenditures are within specifications and are in line with project projections and in compliance with both federal and Auburn University policies and procedures.
- Directs resolution efforts and coordinates solutions when budget or accounting issues arise with Contracts and Grants or funder.
- Manages and coordinates the preparation and submission of project status reports to funder to document the program's effectiveness and impact.
- Manages the submission of partner subcontracts to the Office of Sponsored Programs, determining and writing supplemental specifications.
- Acts as primary liaison with the funder, providing timely information as requested.
- Determines public awareness/marketing needs and helps manage, coordinate, prepare, review, and edit an assortment of communications through various media outlets.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
