JOB FAMILY AND FUNCTION

Job Family:	Academic Services & Administration
Job Function:	Global Initiatives

JOB SUMMARY

Plans and oversees business development and the operations and personnel involved in the financial and student services functions of the Office of International Programs (OIP).

RESPONSIBILITIES

- Manages and coordinates campus business processes that support the international student community of Auburn University.
- Actively pursues new programming initiatives to positively impact the recruitment and enrollment in OIP programs and services; works with department administrators to develop new and existing opportunities and revenue stream on a global scale. Serves as a liaison to other departments in an effort to continually improve campus-wide operations, processes, and services geared towards international students.
- Supervises the financial services and personnel of OIP, working in conjunction with other financial entities/departments on campus.
- Participates in the budget planning process by providing budget and staffing projections, as well as historical analysis which provides insight into the financial components of OIP.
- Represents the Assistant Provost for International Programs in meetings involving international financial operations and student services; responsible for ensuring completion of initiatives and proper reporting of relevant information.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
