**JOB SUMMARY**

Oversees and manages the operations of the Serialization Institute, which include the Radio Frequency Identification Development (RFID) Retail and Aviation laboratories, as well as engages in planning and performing analyses and tests required for research, development, or quality control. Provides staff supervision; oversees contract and budget operations for the department; plans and executes events; and communicates with board members and outside partners to ensure quality service and support.

**RESPONSIBILITIES**

- Plans and oversees the daily operations of the lab to meet schedules, standard procedures, records keeping and reporting requirements. Manages the design and planning of experiments, tests, and laboratory sequences; manages lab testing systems, and retention and presentation of lab data. Ensures lab testing and reporting consistencies are maintained with the large research datasets.
- Schedules and conducts specialized formal tours of the laboratory to foster relationships for potential funded research. Schedules events and activities, such as advisory board meetings and large conference events.
- Coordinates events, board meetings, and workshops related to RFID expansion, project updates within the institute, and student recruitment.
- Responsible for maintenance, documentation, and organization of contract and overall project documents, records, and deliverables.
- Educates outside partners and clients regarding RFID lab support processes, board membership, and upcoming events.
- Serves as liaison between the institute and outside partners and clients in order to cultivate effective partnerships and board memberships
- Manages lab researchers to include schedule development, timekeeping activities, instructing and training students on the safe and proper use of the lab and associated equipment.
- Assist in Sponsored Project coordination and grant management; support development officers with external partner activities, visits, and events for RFID lab and University fundraising purposes.
- Oversees and coordinates all financial activities, including budgeting, reporting, and spending.
