Auburn University Job Description

Job Title: Dir, Student Acad Initiatives
Job Code: AA88
FLSA status: Exempt

Job Summary
The Director of Student Academic Initiatives directs, coordinates, and/or oversees student programs/initiatives and services related to academic affairs.

Essential Functions

1. Assists students with academic advising related issues such as (but not limited to) course selection, registration, graduation application, transient work, and university and college policies and procedures.
2. Directs, trains, selects, approves payroll and administers/oversees student academic programs/initiatives including (but not limited to) the Peer Advisor Program and the Student Ambassador Program.
3. Develops, delivers, markets, and assesses the College to Career Program and other student career development initiatives and partnerships (i.e., Career Center liaison program).
4. Assists with development and/or implementation of student orientation programs and student retention initiatives.
5. Prepares student academic support reports and general advising reports for units within the College and uses data to provide assistance for the development of college student services policy and procedure.
6. Manages the collection and appropriate distribution/reporting of student feedback/assessment data for programs within academic affairs including (but not limited to) senior surveys, advising surveys, career development program assessment, etc.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
