Job Function:	Academic Programs

JOB SUMMARY

Reporting to the University Ombuds person, the Associate University Ombuds person provides the Ombuds Office resources for confidential complaint handling and neutral, informal conflict resolution to all Auburn University students, faculty, and administrative & professional (A&P) members and staff persons. The Ombudspersons may work with individuals or groups to facilitate communication and collaborative dispute resolution, by offering options for self-help or by mediating mutually agreeable outcomes. The Associate Ombuds person takes leadership responsibility in gathering anonymous aggregate data and other information for upward feedback to administrators when patterns of concern brought to the office indicate problem areas or trends. While maintaining impartiality, the Ombuds Office may serve as an organizational resource to recommend improvements in policy and procedures.

RESPONSIBILITIES

- Provides the Ombuds Office resources for confidential complaint handling and neutral, informal conflict resolution to all Auburn University students, faculty, and administrative & professional (A&P) members and staff persons. Assists visitors by identifying problems and presents resolution options; facilitates the visitor's assessment of the pros and cons of options. Upholds the integrity of the office through best practices including independence, fair process, neutrality, impartiality, confidentiality, and timely attention to the resolution of issues while treating all office visitors with dignity, honor, and respect. Maintain independence, neutrality, informality, and exercise good judgment throughout the process.
- While maintaining confidentiality, conducts an informal inquiry to better understand all perspectives on a particular concern. Offer impartial and confidential consultations to campus members who seek assistance with grievances or concerns.
- Facilitates group meetings, shuttle diplomacy, and negotiations to encourage multi-party participation and guide them towards mutually acceptable resolutions.
- Develops and implements innovative conflict resolution models.
- Promotes equitable processes without advocating for any specific individual.
- Empowers visitors by coaching them on negotiation skills and positive approaches to resolving conflicts
- Conducts confidential inquiries to gain a comprehensive understanding of all perspectives on a given concern. Consult with all parties involved, foster communication, and develop mutually agreeable strategies and cooperative processes for complaint resolution, with permission.
- Provides referrals and facilitate access to appropriate resources, including information on formal grievance procedures. Provides guidance and assists in interpreting University policies and procedures.
- Provides on-going education and communication about the Ombuds Office role to all potential visitors and to leadership and decision-makers. Designs and conducts training programs for the campus community in

RESPONSIBILITIES

<p>dispute resolution, negotiation skills, respectful communication, and related topics. Keeps up to date on all changes and developments within the schools and programs of the complex, multi-layered University.</p>
<ul style="list-style-type: none"> Serves as a resource for administrators in identifying areas in need of improvement, formulating or modifying policy and procedures, raising issues that may surface because of a gap between the stated goals of the institution and actual practice or incidents. Makes appropriate recommendations for policies or practices that would reduce or prevent recurrence of grievances. With permission, acts as a liaison between individuals or groups and the campus administrative structure, serving as a communicator or informal facilitator. Functions as a sensor within the campus community to surface problems or trends; if appropriate, recommends creative ways to address these concerns. With the University Ombudsperson, provides early warning of new areas of organizational concern, upward feedback, critical analysis of systemic need for improvement, and makes system change recommendations.
<ul style="list-style-type: none"> Oversees the collection and recording of aggregate anonymous data on ombuds cases, with identification of general categories of concerns brought to the ombuds office, as well as broad demographic information about office activities. Analyzes patterns indicated by the data, including the resolution process and other information to evaluate the effectiveness of the Ombuds Office. Prepares reports based on the data and other information to identify opportunities for systemic improvement, drafts the annual report in collaboration with the Ombudsperson.
<ul style="list-style-type: none"> Assists the University Ombudsperson in budget projections, programs, and service enhancements. Supports the University Ombudsperson with planning and adherence to office operational protocols and standards of practice.
