JOB SUMMARY

Under the supervision of the Associate Director, Risk Management Special Projects, this position designs and manages procedures, policies, training and compliance activities aimed at promoting safe and successful campus events and activities. This position will provide guidance and best practices for campus events and activities and serve as the primary point of contact for event registration, while collaborating with university departments to manage risks associated with campus events, event approval/denial, developing and implementing training resources, and providing guidance on compliance with university policies.

RESPONSIBILITIES

- Oversees the Auburn University Campus Event Planning System or other event management software to serve as a central repository for registration, event tracking, form collection (Certificates of Insurance, waivers, facility use agreements), committee comments, and event approval/denial.
- Serves as the Lead member of the Event Management Working Group working in collaboration with subject matter experts to evaluate events/activities from various campus perspectives.
- Develops and oversees event guidelines and best practices (e.g. pre-event inspections, event safety, vendor management, insurance requirements, incident response). Partners with university departments, student groups, and third parties to provide risk management guidance for planning and executing successful events. Works with subject matter experts to ensure pre-event site visits are scheduled, conducted, and risk mitigation strategies are developed.
- Collaborates with campus units and professionals within RMS to provide comprehensive pre-event evaluation and hazard assessment, providing mitigation strategies and alternatives when needed. Assists event organizers to develop and implement customized risk solutions. Provides guidance to administrators, faculty, staff, and the community of proper use of campus facilities, event venues, and equipment. May assist in the development and enforcement of operational and safety policies, procedures, and rules for the use of college facilities and event venues.
- Ensures events or activities support the University's mission and is authorized by appropriate university authorities. Acts as the final decision maker regarding approval or rejection of events.
- Collaborates with a variety of campus departments including Campus Safety & Security to assist with developing and maintaining emergency plans for natural and man-made disasters; Youth Protection to ensure events/activities with minors are compliant with the Youth Protection Policy; and Risk Management & Safety to develop Event/Activity specific Waivers, Hold Harmless, Informed Consents, or other recommended documents.
- Reviews agreements and/or contracts to ensure terms and conditions are favorable to Auburn University. Ensures all agreements and/or contracts for equipment, facilities, and services are reviewed and executed by AU Procurement and Payment Services as appropriate.
