#### JOB FAMILY AND FUNCTION

Job Family: Student Resources
Job Function: Accessibility

#### JOB SUMMARY

Provides professional services for the delivery of Assistive Technology to disabled students.

#### **RESPONSIBILITIES**

- Evaluate students to determine their need for the use of Assistive Technology and instruct and provide assistance to students.
- Develop an Assistive Technology plan coordinating the services of Assistive Technology laboratories and the installation of Assistive Technology with the development and implementation of new programs and improvements for existing programs.
- Train students in the use of Assistive Technology.
- Research existing and new Assistive Technology developed for use in higher education; and review relevant literature and computer programs.
- Prepare educational and informational materials in alternative formats for students registered with Programs for Students with Disabilities.
- Interpret psycho educational reports to determine students' academic strengths and weaknesses and use that information to provide academic instruction and counseling to the student.
- Collaborate with staff and other University departments to identify students who may benefit from Assistive Technology.

#### SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

#### MINIMUM QUALIFICATIONS

To be eligible, an individual must meet all minimum requirements which are representative of the knowledge, skills, and abilities typically expected to be successful in the role.
