**JOB FAMILY AND FUNCTION**

Job Family:	Academic Services & Administration
Job Function:	Academic Programs

**JOB SUMMARY**

Reporting to the Director, Graduate and Online Programs, this position assists in the management and administration of the online and graduate accounting programs offered through the School of Accountancy. Directly responsible for managing student services, which includes advising potential students on the application process; communicating with current students and alumni; and maintaining student records.

**RESPONSIBILITIES**

- Manages the online and MAcc application process in the School of Accountancy. Advises prospective and current students with academic related issues such as program policies and procedures, application process, and program logistics. Advises online and MAcc students with course load, study habits, course scheduling, academic action, and problem resolution. Manages communications with students; addresses concerns and problems. Ensures that all student and faculty needs are met quickly and efficiently with great attention to detail and sensitivity.
- Manages the plan of study process for undergraduate online students. Directly responsible for ensuring online students are properly registered and their plans of study are continuously reviewed and updated. Ensures new students complete the Canvas orientation and answers questions. Conducts graduation audits for online and MAcc students.
- Manages the departmental Salesforce activities that include data input and report extraction of student records. This includes but is not limited to, coordinating input of data, evaluating transcripts, compiling student applications, and generating reports for accreditation purposes as well as program administration requests.
- Provides full operational management and oversight to a wide range of special events which include, but are not limited to, the MAcc Leadership Summit, annual Accounting & Auditing Summit, SOA Alumni & Friends Tailgate, Advisory Council meetings, SOA Awards banquet, and other SOA events. Manages the programming, contract and vendor management, logistics, décor, catering, communications, etc. Oversees the School of Accountancy event schedule and calendar to ensure accuracy.
- Responsible for managing vendor relationships, to include ensuring proper processes and procedures are followed, and budgetary needs are met.

**SUPERVISORY RESPONSIBILITIES**

Supervisory Responsibility	May supervise employees but supervision is not the main focus of the job.
