**JOB FAMILY AND FUNCTION**

Job Family:	Health & Wellness
Job Function:	Pharmacy

**JOB SUMMARY**

Directs and oversees all business operations for Harrison School of Pharmacy's (HSOP) Clinical Health Services (CHS)- Auburn division, including all experiential education, interprofessional training, post-doctoral training, clinical and educational research, and patient care services that are provided through CHS-Auburn's pharmacies, clinics, and programs.

**RESPONSIBILITIES**

- Directs and manages strategic planning, organizational analysis, business development and program assessment of the Clinical Health Services (CHS) division (Auburn-based).
- Ensures that all healthcare services run smoothly such as marketing, website maintenance, social media posting, clinic scheduling (for onsite and offsite services), employee scheduling, report interfacing, billing, complaint/problem resolution, human resources management, compliance monitoring, and other essential business operation tasks.
- Prepares, evaluates, and monitors the operating budget for CHS- Auburn- based units, including providing financial reporting and conducting reconciliation of all accounts monthly. Submits budgets to HSOP finance division for HSOP's annual budget preparation process. Collaborates with HSOP accounting to ensure proper payment and invoicing of CHS accounts.
- Develops and trains employees on healthcare coding and billing practices for healthcare billing. Reconciles patient appointments and billing income to ensure that revenue is received. Ensures that all missed or rejected claims are processed or re-processed in a timely manner.
- Serves as primary hiring manager for CHS-Auburn. Coordinates with HSOP HRL in all personnel matters. Supervises CHS staff and ensures proper staffing across CHS-Auburn operational units. Makes decisions regarding appropriate delegation of staff and their responsibilities to meet operational demands. Reviews timecards to ensure consistency in work expectations and use of leave.
- Serves as the primary contact for all contractual matters. This includes contracts for Pharmacy Benefit Managers (PBM) payers; electronic health records (HER) vendors; dispensing software vendors; professional services contracts; and all other contracts utilized by CHS. Works with AU PPS to ensure contracts are reviewed and approved through appropriate AU channels. Maintains copies of all completely executed CHS contracts, business associate agreements, data use agreements, non-disclosure agreements, confidentiality contracts, and other legal documents on file in a readily retrievable format at all times.
- Assists with coordination of all research projects within CHS. This includes ensuring all operational aspects for CHS sites are complete and providing input on operational workflow to achieve desired research outcomes. Submit and update IRB documents, monitor budgets, and ensure appropriate funding. Maintain copies of all completely executed IRB approved protocols, informed consents, extension approvals, close-out paperwork and other research documents on file in a readily retrievable format at all times.

## RESPONSIBILITIES

- Serve as the Clinical Health Services Compliance Officer and ensure continual compliance with policies, procedures and other guidelines such as Alabama Board of Pharmacy, OSHA, DEA, other federal and state guidelines as well as internal AU, HSOP, and CHS policies.
- Assists with integration of HSOP students, interprofessional students, and post-doctoral residents (and fellows) within CHS sites and assist with planning student and resident training segments that are implemented within CHS.
- Interface with all CAO's Experiential Programs and Alumni and Professional Affairs to ensure integration and synergy across all CAO units.
- Analyze program outcomes and stakeholder feedback and work with HSOP's Clinical Affairs and Outreach team to conduct continuous quality improvement of all programs.
- Contribute to the successful achievement of HSOP's strategic goals within outreach.
