Job Code:	<b>AD28</b>	Grade SR11:	\$54,900 - \$93,900
FLSA status:	Exempt		

---

### Job Summary

Reporting to the Director of Undergraduate Admissions and Operations, the Associate Director of Admissions Operations & Processing serves as a member of the senior leadership team within the Office of Undergraduate Admissions and provides leadership and support in the development and implementation of the long term and strategic plans for admissions processing, prospective student communication, and outreach. Assists the Assistant Director of Admissions Processing & Communications related to the daily operations of the Office of Undergraduate Admissions to ensure it meets the strategic plans and goals of the University.

### Essential Functions

1. Oversees the Office of Undergraduate Admissions to include long-term admission and communication strategies, goals, policies, and plans and builds relationships with on-and-off campus constituents to ensure the University's long-term strategic admission goals are met through the daily operations managed by the Assistant Director.
  2. Provides leadership, direction, and support to the Assistant Director of Admissions Processing & Communications in managing the daily operations and the Processing & Communications team within the Office of Undergraduate Admissions. Develops and implements ongoing training procedures for all processing staff, and assists and guides staff members on admission policies, university procedures, and Board of Trustee policies.
  3. Oversees the productivity of applications and applicant data, reviews reports to audit data, leads staff on processes and the ongoing evaluation and enhancement for all processing to ensure timely and accurate turnaround of all application types to meet the University's recruitment and enrollment goals.
  4. Oversees and maintains the student module and CRM to include, but not limited to, serving as local administrator, overseeing system testing and implementation, and researching and implementing best practices.
  5. Directs and oversees the coordination of all undergraduate administrative functions, communications, and marketing related to telecounseling, fulfillment, communications, and marketing efforts.
  6. Oversees the efforts and communications between department, Office of Information Technology, and software vendors meeting the needs of internal and external constituents through effective system process and report design.
  7. Assists the Director of Undergraduate Admissions in the development and management of the unit's budget.
  8. Serves as a liaison to departments and users regarding training/support, process documentation, and other data requests.
  9. Advises on operational matters including but not limited to, processes, deadlines, assignments, logistics, and other administrative matters.
  10. Performs other related duties as assigned.
