JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Registrar

JOB SUMMARY

Under general direction of the University Registrar, oversees the daily operations of the Office of the Registrar including, but not limited to, all student registration processes, academic honesty violations, transcript functions, class scheduling, and graduation. Primarily responsible and accountable for the security and integrity of all electronic student records which exist within the Banner Student Information System.

RESPONSIBILITIES

- Collaborates with the University Registrar, Associate Registrars, Assistant Registrars, and other critically involved parties to ensure academic integrity is upheld. Recommends changes and/or updates to University policy and develops and implements initiatives and programs utilized for student academic pursuits.

- Acts as campus liaison for the Office of the Registrar and is responsible for communicating University policies and procedures as they relate to the functions and operations of the Office of the Registrar in accordance with current Alabama legislation and FERPA guidelines. Responsible for maintaining expansive knowledge of any modification in University policies, regulations, procedures, and curriculum and must ensure adherence to stated doctrines by all University parties.

- Oversees all Office of the Registrar registration responsibilities including, but not limited to, Degree Works, and Astra Scheduling. Manages and supervises a team of professionally-skilled individuals responsible for all University registration and graduation functions.

- Responsible for the processes related to student registration, student matriculation, and academic standing.

- May support processes relating to NCAA compliance, transcript processing, transfer articulation, pathway programs and any other student service related processes required of the Registrar's office.

- Evaluates and reviews all third party vendors utilizing any integration with or extraction from the Banner Student Information System to ensure compliance with data policies and procedures and to ensure the integrity of the University's academic student records is upheld.

- May act as the steward of instructional spaces to ensure the optimum use of classroom and other instructional spaces for course delivery. Supports facility/class scheduling and management.

- May conduct training on data governance and data integrity to various entities across campus. Speaks with knowledge and credibility to various entities and individuals of all levels across the University regarding data security and the integrity of student records.

- Actively seeks technological solutions to further student success, goals, and initiatives.

- Supervises Office of the Registrar staff and resources. Responsible for appraising performance, making salary recommendations, and ensuring that the training and development needs of staff are met.

- Performs selected duties of the University Registrar in his/her absence including, but not limited to, representation on committees, attending meetings, and giving formal presentations.
