JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Admissions & Recruitment

JOB SUMMARY

The Vice President of Enrollment Services will provide strategic leadership and execution in advancing Auburn recruitment and enrollment goals in accordance with its mission, vision and strategic plan. The Vice President of Enrollment reports directly to the Senior Vice President and will be responsible for developing a comprehensive enrollment plan; strategic direction; oversight and support of admissions; recruitment, including the planning and execution of recruiting events; strategic enrollment management and scholarship administration.

RESPONSIBILITIES

- Collaborating with deans and other academic leaders to provide the vision for short and long-term enrollment goals and effective marketing strategies aimed at optimizing enrollment opportunities in targeted programs.
- Working with university marketing professionals on print and electronic recruiting collateral, using research based decisions on message and delivery mediums.
- Providing comprehensive statistical and data-informed analyses necessary to make sound policy decisions.
- Supporting new enrollment markets while sustaining and growing existing markets; creating strategies and division-wide initiatives that effectively support the recruitment and retention of a diverse and inclusive student body in a manner that complements the university's culture and core values.
- Monitoring and assessing data to evaluate the effectiveness of recruitment efforts and scholarship programs, including social media, marketing and other emerging technologies that enhance yield with potential students and their families.
- Developing and using existing and emerging technologies to communicate and build relationships with students, families, community colleges and secondary school leadership.
- Evaluating and improving the practices of the student enrollment experience, including timely, effective and positive engagement with students and families throughout the entirety of their experiences with admissions, financial aid and registration.
- Leading the development of strategies that leverage financial aid awards in a manner that enhances the overall student body and expands opportunities for timely degree attainment.
- Optimizing use of available federal, state and institutional resources in the recruitment and retention of students while ensuring campus compliance with all federal and state agencies' regulations and policies.
- Leading the collaboration between university advancement and enrollment management to identify, prioritize and proactively implement scholarship plans.
- Creating a visible profile within the campus community and university constituencies in order to foster collaborative relationships essential to enhancing communication efforts; creating an environment of collegiality and inclusiveness.

RESPONSIBILITIES

- Identifying target audiences, establishing enrollment goals and developing and executing effective enrollment management plans designed to attract students.
- Serving as the principal liaison on strategic priorities involving recruitment and admission between enrollment services, the colleges and schools, and university administration.
- Providing leadership and management of a complex operation, including approximately 50 professional staff and 200 students through 5 direct reports and a total budget of \$72 million, including operational (\$6 million), restricted scholarships (\$10 million), unrestricted scholarships (\$56 million).
