JOB FAMILY AND FUNCTION

Job Family:	Marketing, Communications, & Multimedia
Job Function:	Communications Strategy

JOB SUMMARY

Oversees the completion of a college or division communications and marketing-related projects and tasks including, but not limited to, contractual obligations to clients and sponsors and other media and marketing collateral. Supports the Director of Communications and Marketing as a liaison for sponsored projects for other departments within the college or division. Serves as a point of contact for each project and communicates project status to all participants. Responsible for assigning tasks and creating efficiencies to ensure that projects are completed on time and on budget.

RESPONSIBILITIES

- Establishes and coordinates a variety of communication and marketing projects to ensure a timely and efficient completion by working with a variety of subject matter experts.
- Creates production schedules, workflows, summary and budget reports, sets time frames, and coordinates with other departments within a college or division and the university to ensure that project deadlines are met and within budget limitations.
- Assists the Communications & Marketing and Graphic design team including assigning tasks to appropriate personnel, schedule management, monitoring progress, performing data mapping required to support the project, and creating systems that improve efficiency.
- Develops and enhances relationships with current and future sponsored partners, including stakeholder groups.
- Reports progress to leadership and communicate regularly with clients, vendors, and other departments in a college or business. Informs supervisor of major issues and compliance risks.
- Performs data collection and analyses to provide meaningful service to clients.
- Performs other related duties as assigned.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
