Auburn University Job Description

Job Title: Exec Producer, McCrory Institute

Job Code: AD92

FLSA status: Exempt

Job Family: D.C.

Job Summary

Located in Washington D.C., the Executive Producer for McCrory Institute, oversees and leads all aspects of the production process from conceptualization to final execution for the McCrory Institute. Develops the communications, marketing, and public relations strategy in collaboration with the Director for the McCrory Institute.

Essential Functions

1. Creates, builds, visualizes, and conceptualizes story, content, and materials that support and promote the mission of the McCrory Institute. Manages multiple creative projects from initial concept to execution with attention to detail, ensuring work is on time, within budget, and on strategy.
2. Creates and directs production standards, maintaining a consistent tone, voice, and creative visual approach throughout.
3. Collaborates with internal and external stakeholders to facilitate and streamline production processes to ensure production goals are met.
4. Creates run-of-show and scripts and works with the McCrory Institute Director to select topics, guests, and themes for the production.
5. Identifies product opportunities to be distributed by the Institute to extend the reach and impact of the Institute's work.
6. Oversees editing of raw footage and ensures professional finish to all production. Assists with developing and implementing standard operating procedures. Maintains production quality including audio and lighting to maintain and enhance the Institute’s reputation for excellence.
7. Manages the video and photography production of all events the Institute hosts, ensuring they are captured professionally and effectively.
8. Leads the team in set design creation and maintenance to ensure an appropriate and engaging environment for each production. Supports the creative production process, including set design, lighting, blocking, graphics, music, and site surveys.
9. Prepares all video and audio content for distributions through digital channels, ensuring content is optimized for each platform.

Supervisory Responsibility

May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
