## Auburn University Job Description

### Job Family Levels

Level	Responsibility	Knowledge	Education and Experience*
I	Under general supervision, performs varied duties and assignments involving some judgment. Resolves routine questions or problems, referring only complex issues to higher level. Some evaluation, originality and ingenuity required.	Knows and applies fundamental concepts, practices and procedures of particular field of specialization.	Bachelor's degree in discipline appropriate to position plus 2 years experience.
II	Under minimal supervision, performs complex assignments and fulfills broad responsibilities where required outcomes are defined, but methods and procedures may vary based on professional judgment or precedent. Considerable latitude for unreviewed action. Confers with supervisor on unusual matters. Coordinates the work of others on projects and may assign work to and assist less experienced professionals or support staff. May act in an advisory capacity to managers or faculty.	Knows and applies advanced concepts, practices, and procedures of particular field of specialization, with awareness of related fields.	Bachelor's degree in discipline appropriate to position plus 4 years experience. Experience must include at least 2 years at the preceding level or equivalent.
III	Under general guidance, plans, conducts and leads complex assignments and areas of functional responsibility. Acting with substantial latitude for unreviewed action, applies broad subject matter expertise to solution of significant issues or development of new programs, services, processes or other initiatives to meet the University's goals in a specific area. Recommends changes in procedures or policies, and leads change initiatives to completion, often persuading or coordinating work of others outside own department.	Possesses and applies a broad knowledge of principles, practices and procedures of a particular field of specialization to the completion of difficult assignments. Also possesses knowledge of related fields and areas of operation which affect, or are affected by, own area.	Bachelor's degree in discipline appropriate to position plus 6 years experience. Experience must include at least 2 years at the preceding level or equivalent.

\* See the "Minimum Required Education and Experience" section of the job description for any substitutions that may be allowed for education and experience.
