JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Campus Recreation

JOB SUMMARY

The Executive Director of Campus Recreation and Wellness provides vision, leadership, and oversight for the University's comprehensive recreation and health promotion programs and facilities. Oversees departmental strategic planning, budget management, and policy development for Campus Recreation and Wellness (CRW) programs, services, and operations. Leads CRW in fostering an integrated and holistic wellness model in partnership with other campus units to include Auburn University Medical Clinic, Student Counseling & Psychological Services, Harrison College of Pharmacy, Health Behavioral Assessment Center, and Athletics.

RESPONSIBILITIES

- Leads extensive strategic planning, goal setting, and assessment initiatives; implements best practices related to wellness and campus recreation, develops long-term financial forecasts, ensures effective marketing, and directs emergency preparedness and crisis response efforts.
- Provides direction and oversight of the Campus Recreation budgets (approximately \$20,000,000) and the Health Promotion Services budgets (approximately \$600,000), ensuring sound fiscal operations. Monitors budget Issues, including reserve balances, bonds, and monthly budget operating statements, and makes appropriate adjustments as necessary. Recommends appropriate student fees to the Associate Vice President of Student Affairs. Ensures departmental compliance with existing university and state fiscal and personnel policies and procedures.
- Provides positive leadership to CRW staff and facilitates a healthy work environment for optimal performance. Directly supervises Director, Facilities and Operations; Director, Health Promotion and Wellness Services; Director, Programs; Business Manager; and Assistant Director, Marketing. Evaluates and assesses staffing needs and recommends appropriate appointments for the department to ensure organizational effectiveness. Establishes priorities for recruitment selection and training for staff. Encourages and supports opportunities for staff development at all levels of the department.
- Provides leadership and direction to program development of intramural sports, sport clubs, fitness programs, open recreation access, and special events.
- Implements and evaluates evidence-based and needs-based health education programs that are research driven best practices related to the dimensions of wellness. Efforts focus on primary prevention, harm, and risk reduction for the campus community.
- Supports the creation of renovation, refreshment, and capital project plans with the director of facilities and operations.
- Provides leadership for university/division committees and initiatives, and represents the University at appropriate state, regional, and national professional organizations. Maintains relationships with internal and

RESPONSIBILITIES

	external constituencies, campus and divisional partners. Other areas of responsibilities include investigating and responding to concerns or matters of students, parents, and university administration.
•	Develops and implements a communication strategy that conveys wellness messaging to campus and shares mandated reports with the Auburn community.
•	Performs other duties as assigned.
