Job Code:	AE62	Level II	Grade SR08 \$40,100 - \$64,200
FLSA status:	Exempt	Level III	Grade SR09 \$45,100 - \$72,200

Job Summary

Promotes, develops, implements, and coordinates various adaptive sports and recreational programs for youth, college students, employees, and community members who have a primary physical disability.

Essential Functions

1. Coordinates disability sports programs to include the coaching, recruiting, and organizing of the disability sporting events.
2. Plans, develops and implements adaptive sports and recreational opportunities for students, university employees, community members, and campus groups.
3. Organizes summer and other clinics related to adaptive sports and recreation programs that reach out to students, employees, and community members with disabilities.
4. Establish relationships with campus partners to promote the inclusion of people with physical disabilities in campus clubs, recreational services, and athletic competition.
5. Manage and promote sports and recreation programs that reach out to youth throughout the state and surrounding areas.
6. Provides advisement/counseling for students in matters related to goals, course load, study habits, and course scheduling/selecting.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.

Auburn University Job Description

Job Family Levels

Level	Responsibility	Knowledge	Education and Experience*
I	Under immediate supervision, performs standard tasks using established methods, principles, concepts and procedures related to a specialized field. Judgments are made on routine matters of relatively small impact.	Knows fundamental concepts, practices and procedures of particular field of specialization.	Bachelor's degree in discipline appropriate to position with no experience.
II	Under close supervision, performs varied duties and assignments involving some judgment. Resolves routine questions or problems, referring only complex issues to higher level. Some evaluation, originality and ingenuity required.	Knows and applies fundamental concepts, practices, and procedures of particular field of specialization, with awareness of related fields.	Bachelor's degree in discipline appropriate to position plus 2 years experience. Experience must include at least 2 years at the preceding level or equivalent.
III	Under minimal supervision, performs complex assignments and fulfills broad responsibilities where required outcomes are defined, but methods and procedures may vary based on professional judgment or precedent. Considerable latitude for unreviewed action. Confers with supervisor on unusual matters. Coordinates the work of others on projects and may assign work to and assist less experienced professionals or support staff. May act in an advisory capacity to managers or faculty.	Possesses and applies a broad knowledge of principles, practices and procedures of a particular field of specialization to the completion of difficult assignments. Also possesses knowledge of related fields and areas of operation which affect, or are affected by, own area.	Bachelor's degree in discipline appropriate to position plus 4 years experience. Experience must include at least 2 years at the preceding level or equivalent.

* See the "Minimum Required Education and Experience" section of the job description for any substitutions that may be allowed for education and experience.
