Job Family: Student Resources
Job Function: Career Strategies

Auburn University Job Description

Job Summary
The Director of Professional Development for the Harbert College of Business will lead the career and professional development curriculum and coaching team. This includes oversight of all BUSI career courses, active collaboration on program champion-led career courses, oversight of career assessments, career coaching, and professional development events and activities hosted by the Office of Professional and Career Development including Harbert Connects - Mentorship Program. This role supervises a team of Career Coaches, Adjunct Instructors, Graduate Students, and Peer Instructors and is a key member of the career initiatives leadership team, and will report to the Executive Director for Career and & Employer Initiatives.

Essential Functions

1. Leads the development, monitoring, and/or revision of curricula for campus and online professional development courses taught by the Office of Professional & Career Development, ensuring consistency and integration across all courses.
2. Collaborates with program champions on curricular design ideas, progression, and assessment in alignment with other BUSI professional development courses.
3. Leads the career coaching/career development team to ensure consistency across coaching and professional development opportunities for students and/or alumni in making career decisions, career artifacts, career readiness, and job/internship plans and searches to ensure successful employer engagement.
4. Collaborates with the executive director on vision and execution of all career coaching and curriculum design, related student focused activities, teaching assignments, training, and assessment.
5. Supervises mentorship programs, and career coaching staff support, and promotes the programs to students, alumni, and College partners.
6. Collects and analyzes data including SkillSurvey, Course Evaluations, engagement, grades, attendance, and other key metrics to make data-informed decisions about career courses and student career readiness outcomes.
7. Participates in assessment and strategic planning with emphasis on student learning outcomes and supporting the mission of the College and the university; Develops surveys and other data collection tools in support of this activity; Instructs or assists in teaching professional development courses offered by the department as needed.
8. Evaluates for effectiveness of delivery, currency with marketplace, and integration across all courses. Implements updates and changes for next academic year.
9. Oversees the identification, training, and evaluation of course instructors and peer instructors. Conducts gap analyses of instructors, develops and conducts training to address gaps; Coordinates course offerings each semester, including assessing course demand and planning all necessary course sections and capacities, as well as room and instructor assignments.
10. Performs other duties as assigned.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training,
