**JOB FAMILY AND FUNCTION**

Job Family:	Health & Wellness
Job Function:	Mental & Behavioral Health

**JOB SUMMARY**

Develops and maintains the American Psychological Association (APA) accredited doctoral internship program responsible for doctoral students from the Auburn University counseling and clinical psychology departments who participate in practicum placements at Student Counseling Services (SCS).

**RESPONSIBILITIES**

- Develops training plans for the creation of an APA-accredited pre-doctoral internship program and functions as the primary administrator ensuring that the program complies with all accreditation criteria of the APA, Commission on Accreditation, Code of Ethics, prevailing professional standards, and the laws of the State of Alabama pertaining to psychologist.
- Maintains a moderate client caseload including individual therapy, group therapy, treatment planning and diagnosis, psychological assessment, emergency/crisis intervention and clinical supervision including documentation of those services.
- Provides oversight and guidance of all training efforts at SCS including chairing the Training Committee, creating and maintaining policy and procedures specific to graduate training, and establishing ongoing staff development and addresses supervisory skills and responsibilities.
- Provides ongoing evaluations of the training program including self-studies and annual reports.
- Creates and provides outreach presentations, psychoeducational workshops, and educational seminars on mental health-related issues.
- Consults with concerned students, faculty, staff, parents, and other stakeholders regarding mental health-related issues, and especially those associated with the current training program.

**SUPERVISORY RESPONSIBILITIES**

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---
