Auburn University Job Description

Job Title: Assoc AD, Capital Projects
Job Code: BA74
FLSA status: Exempt

Job Summary
Oversees and leads the planning and development of capital projects for the Auburn University Athletic Department to include architecture and engineering functions.

Essential Functions

1. Manages the multi-year and multi-phase slate of Athletics Capital Improvement Projects in accordance with priorities established through the Athletic Director, Executive Vice President, Auburn University Administration, and the Board of Trustees.
2. Works closely with the Athletic Director, Chief Operating Officer, Sports Administrators, coaches and staff to develop the requirements of potential capital projects.
3. Provides tracking and reporting for the Athletics Director and University Architect on project execution by developing, collecting, analyzing, and publishing execution metrics and statistics relative to project execution.
4. Provides operational requirements, coordination, and direction to the members of the project team, including Facilities Management Design Managers, Construction Project Managers, architectural/engineering consultants and construction contractors.
5. Develops and maintains execution strategies and design/construction schedules for capital projects.
6. Collaborates with the University Architect to manage the architect and engineer selection process, design contract management, project design, project budget development, post-construction award design management, and design review process.
7. Develops and maintains the Athletic Department Facility Master Plan and ensures it is coordinated and aligned with the Campus Master Plan.
8. Serves as the owner's representative during the architect and construction manager selection processes, as well as the programming, design, bidding, and construction phases of projects.

Supervisory Responsibility
May supervise employees but supervision is not the main focus of the job.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
