## JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Athletics Facilities

## JOB SUMMARY

Reporting to the Manager of Athletics Facilities Zone Maintenance & Operations, the Supervisor of Athletics Facilities Zone Maintenance & Operations is responsible for supervising and leading the maintenance efforts for Auburn University's Athletic Department, which includes athletic buildings, stadiums, administrative units, other auxiliary units and vendor partners. Supervises skilled trades personnel and executes maintenance work orders to address any building deficiencies or problems that may arise. Responsible for executing maintenance work orders to ensure the Athletics Facilities are kept operational and fully support the University's athletic and student-athlete performance and training mission.

## RESPONSIBILITIES

- Leads and supervises a team of multi-trade technicians responsible for both corrective and preventative maintenance tasks within assigned facilities. Corrective maintenance may include maintenance projects.
- Ensures all work performed by Athletic Facilities trades personnel and contractors meet the high standards set by Auburn University and Athletics. Communicates policies and procedures clearly to staff members and ensures they are consistently adhered to. Ensures all work is completed safely, on time, and in compliance with applicable regulatory agencies.
- Meets with clients on a regular basis to understand their facility needs ensuring support can be provided.
- Ensures quality and timely responsiveness of assigned maintenance activities, including after-hours response to emergency calls.
- Oversees work assignments to meet organizational goals and client deadlines in support of the Athletics Facilities Zone Maintenance & Operations department guidelines and mission.
- Directly supervises assigned staff and participates in the recruitment of staff positions including reviewing resumes, participating in interviews, and conducting performance review evaluations. Assists in resolving employee relations issues.
- Ensures timely and accurate data is maintained in the work management system to provide proper reporting for clients and senior leadership within Athletics. Investigates and respond to clients' queries, complaints, and other issues to meet and satisfy client needs. Tracks status of work accomplishments, analyzes data, and prepares reports, and recommendations in support of increasingly higher levels of performance and productivity.
- Maintains records and documentation of work activities, supplies, and equipment. Assists in the development of procedures and operating instructions for safe, accurate, and quality work performance and updates on project status.
- Responsible for budget coordination for the zone. Maintains communication with the Manager of Athletics Facilities Zone Maintenance & Operations regarding issues or matters of importance.

## RESPONSIBILITIES

- Performs other related duties as assigned.

## SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
