### JOB SUMMARY

The Senior Director of Ticket Sales & Strategy directs the overall sales and service strategy for the internal sales team. Develops the short-and long-term operational sales and service strategies, working to analyze, develop, and implement new initiatives to enhance the sales team's effectiveness, while ensuring the best sales leads are focused on first. The Senior Director assumes several leadership roles, including fiscal management, customer service, involvement in gameday operations, management of the customer relationship management (CRM) system, reporting, and lead generation and scoring. Supervises the Manager of Ticket Sales & Customer Service and collaborates closely with the unit leaders of Ticket Operations, Digital Marketing & Social Media, Fan Experience, and Tigers Unlimited.

### RESPONSIBILITIES

- Responsible for the day-to-day management and provides strategic vision and direction to Auburn's ticket sales team, overseeing their activities and ensuring alignment with the overall sales and service strategy. Provides oversight and guidance to the Director of Ticket Sales & Customer Service and collaborates on lead identification and scoring for the outbound sales team.
- Works with sales team and marketing to analyze, develop, and implement new business initiatives to enhance effectiveness, ensure the best sales leads are focused on first, and reporting is accurate and relevant.
- Develops and implements short-and long-term operational sales strategies to enhance the effectiveness of the ticket sales team. Analyzes market trends, identifies new opportunities, and introduces innovative initiatives to drive ticket sales and revenue.
- Work closely with leaders from various units, such as Ticket Operations, Digital Marketing & Social Media, Fan Experience, and Tigers Unlimited. Collaborates on cross-functional projects, shares insights, and aligns strategies to enhance overall ticket sales performance and provides an exceptional customer experience. Works in conjunction with Ticket Operations, Marketing, and Tigers Unlimited in forecasting ticket revenue. Collaborates with the Ticket Operations team in budget and pricing recommendations for ticket packages and single game pricing.
- Oversees the daily management of the CRM system, ensuring its seamless operation and optimal performance. Leads in organizing and conducting salesforce training sessions as part of the onboarding process for new ticket sales, operations, and development staff members. These training sessions aim to equip the team with the necessary knowledge and skills to effectively utilize the CRM system, enhancing their ability to manage customer interactions, track sales activities, and maximize revenue opportunities.
- Creates standard and custom reports and dashboards to track campaigns and activities, enabling comprehensive monitoring of key metrics and facilitating informed decision-making. These reporting tools provide insights into sales performance, customer engagement, and campaign effectiveness, aiding in strategic adjustments and identifying areas for improvement.
