### Job Summary
Develops and implements plans for transition services for students participating in a sexual offender specific treatment program.

### Essential Functions
1. Develops and oversees implementation of psychoeducational curriculum modules to transition youthful offenders into and out of treatment programs.
2. Provides assessment of individual youth’s transitional needs.
3. Coordinates with and acts as liaison to therapists, court personnel, youths and their families, as well as other external agencies regarding release plans, placement issues, and community service delivery systems; coordinates with out-of-state agencies when necessary.
4. Develops the vocational component of the Good Lives treatment model.
5. Implements the alumni follow-up program, including the development of the Alabama Advisory Board.
6. Coordinates with students’ case managers to resolve transition and/or registration issues.

### Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

---

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
