JOB SUMMARY

Reporting to the Director of the Eagles program, the EAGLES Instruction Coordinator coordinates, implements, and evaluates student-focused instruction and services for the Education to Accomplish Growth in Life Experiences for Success (EAGLES) program. The EAGLES Instruction Coordinator will be responsible for instructing, advising, and supporting students with intellectual disabilities. Coordinates and implements the Warm Hearted Individuals Nurturing Great Success (WINGS) peer mentor program to support the EAGLES students while enrolled at Auburn University. Coordinates an assigned domain for the EAGLES program.

This position will work under close supervision, performs varied duties and assignments involving some judgment. Resolves routine questions or problems, referring only complex issues to higher level. Some evaluation, originality and ingenuity required.

RESPONSIBILITIES

- Develops and implements innovative instructional coursework with accompanying content and evaluating materials for EAGLES students.
- Coordinates, plans, and attends the daily activities for the EAGLES student and peer mentors. The EAGLES Instruction Coordinator will give guidance to the peer mentors to instruct the EAGLES students across all domains of their life while enrolled at Auburn University.
- Develops and conducts in-service trainings for WINGS peer mentors, campus partners and community partners, which includes program design, delivery, and coordination.
- Advises and meets with EAGLES students to define needs using person-centered planning techniques, progress monitoring, and data-collection techniques to inform decision making.
- Collaborates with Auburn faculty and staff for EAGLES program activities to ensure accommodations and program modifications are in place for full inclusion of the EAGLES students including developing and implementing MOUs.
- Assists in the development of marketing plans and publicity materials for distribution to target audience.
- Develops and maintains the database and/or website related to a specific activity, project, or service for record keeping and program enhancement.
- Assists or coordinates in the planning and implementation for EAGLES Program events across all domains (Preview Day, Expanding EAGLES Events, Interview Experience, Camp War Eagle and EAGLES Orientation, Networking events, Family Weekend Events, EAGLES program tailgate, etc. and also assist with all events for the EAGLES students).
- Coordinates and supervises assigned student workers and graduate assistants to fulfill programmatic and student needs.

RESPONSIBILITIES

- Oversees a cohort of students and their day-to-day plans and coordinates and implements one of the assigned program domains and program structure (Academics, Employment- Basic or Advanced, Independent Living, Health and Wellness, and Personal and Social Skills.)

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility May supervise employees but supervision is not the main focus of the job.
