JOB FAMILY AND FUNCTION

Job Family:	Student Resources
Job Function:	Student Services

JOB SUMMARY

Reporting to the Director of EAGLES, the Assistant Director of EAGLES Student Services assists in the day-to-day operations to carry out the mission and vision of the Education to Accomplish Growth in Life Experiences for Success (EAGLES) program.

RESPONSIBILITIES

- Responsible for the design, revision, and implementation of EAGLES course curricula, Warm Hearted Individuals Nurturing Great Success (WINGS) peer mentor program, and Summer Bridge Camp program. Coordinates all courses and master schedule across all domains of the EAGLES program and coordinates staff members to teach courses each semester, while also teaching select courses each semester.
- Responsible for the WINGS peer mentor programs. Supervises daily operations, planning, design, development, and implementation of academic course support along with associated outreach initiatives, campus partnership efforts with the assistance of direct reports. Directs and supervises the recruitment, selection, training, ongoing support, and recognition of peer mentors. Ensures proper program-level file storage and security to support FERPA-maintained level of student data.
- Performs administrative duties for programs and projects of student programs and offers feedback, perspective, and ideas to support the planning and direction of assigned EAGLES initiatives, and campus partnerships on behalf of the director. Recommends adjustments and implements to promote student learning, satisfaction, and engagement across EAGLES students and WINGS. Identifies pathways to solve program and office-level dilemmas related to students.
- Assists in the development and implementation of strategic plans and operational issues for the EAGLES program.
- Develops and maintains database and/or website related to a specific activity, project or service for record keeping and program enhancements, and assists in the planning and implementation of EAGLES Program events.
- Oversees the planning, development, and execution of incoming EAGLES Preparation Modules and orientation programs activities for first year students and their families.
- Plans and implements the day-to-day activities for students and addresses students' needs as they arise, helps students problem-solve when conflict arises or emergencies occur.
- Oversees the academic supports of all students in the EAGLES program and ensures implementation of accommodations and/or modifications
- Assists in the development of marketing plans and publicity materials for distribution to target audience.
- Collaborates with faculty and staff to ensure accommodations and program modifications are in place for full inclusion of the EAGLES students.
