### JOB FAMILY AND FUNCTION

Job Family:	Health & Wellness
Job Function:	Mental & Behavioral Health

### JOB SUMMARY

The Psychometrist provides psychological services in the form of psychological assessment, diagnosis, and consultation with multiple stakeholders to assist in treatment planning services for youth that are committed to the Accountability Based Sexual Offense Prevention Program (ABSOPP). Ensures that clinical and electronic files comply with the American Psychological Association (APA), various mental health licensing boards, the Alabama Records Disposition Authority, and the state archives guidelines for record keeping and management. Coordinates and develops effective lines of communication between treatment staff, residential staff, Department of Youth Services, and the Alabama Juvenile Courts throughout the state for the ABSOPP population which serves juveniles adjudicated for committing sexual offenses.

### RESPONSIBILITIES

- Provides psychological services to include psychological assessment, diagnosis, and consultation with multiple stakeholders to assist in treatment planning services for youth that are committed to ABSOPP.
- Completes documentation for psychological assessment to includes assessment session notes, case presentations, and psychological assessment reports.
- Administers and interprets relevant intelligence, achievement, and psychopathology measures for children and adolescents including clinical interviews.
- Serves as the liaison between the graduate students and assessment supervisors, including providing peer supervision and reviewing and editing psychological reports.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

### SUPERVISORY RESPONSIBILITIES
