Auburn University Job Description

Job Title: Career Strategist
Job Code: CA53
FLSA status: Exempt

Job Family: No Family
Grade SR09: $45,100 - $72,200

Job Summary
The Career Strategist coaches and consults with students regarding career development, various types of work experience opportunities, resources, registering for services, programs, and events, and job search strategies. Develops successful partnerships that connect business, employers, students, and alumni to the designated academic unit and Career Discovery and Success (CDS).

Essential Functions
1. Serves as a strategist between Career Discovery and Success and the designated academic unit and is responsible for working closely with strategic partners creating a culture of collaboration among a variety of stakeholders.
2. Serves as an advocate for their assigned student populations increasing exposure and access to more diverse employers and employment opportunities.
3. Assists in facilitating, promoting, and expanding interaction with business and industry, government, and non-profit employers to create and increase career-related work experience opportunities, e.g. co-ops, internships, volunteer, and summer employment.
4. Facilitates the integration of career readiness and articulation by working directly with faculty and staff at the college and program level, collaborating and communicating between career services and academic advising.
5. Supports and assists in development, direction, administration, and promotion of university-wide Career Strategist and CDS service programs.
6. Supports student success outcomes and key QEP success factors through career advising and coaching, instruction, and opportunities to scale engagement at the college level while maximizing support around engagement in experiential learning, job search strategies, graduate and professional school preparation, and career competency articulation.
7. Assists in delivering other core Career Center programs including teaching career development courses, career coaching, and employer education related to academic unit and student population.
8. Performs other related duties as assigned.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
