Job Family:	Campus Services
Job Function:	Campus Dining

JOB SUMMARY

The Culinary Operations Cook is responsible for preparing and serving high-quality food for customers within the Hey Day Market Incubation Unit for the Horst Schulze School of Hospitality Management. This position supports daily culinary operations by ensuring efficient food preparation, presentation, and service while adhering to established food safety, sanitation, and quality standards. The role contributes to a positive customer experience and supports the instructional and operational goals of the hospitality program.

RESPONSIBILITIES

- Oversees daily kitchen readiness by coordinating workstation setup, verifying supply availability, and ensuring all menu items are prepared to established culinary standards. Provides guidance to staff on recipe execution, portion control, and quality expectations.
- Ensures full compliance with food safety regulations by monitoring sanitation practices, conducting routine inspections of equipment and work areas, and implementing corrective actions when standards are not met. Trains staff on proper hygiene and safety procedures.
- Manages the timely and safe transport of prepared food and beverages to service areas, coordinating staff assignments and resolving issues that may disrupt meal service. Ensures service flow supports operational efficiency and guest satisfaction.
- Leads the delivery of courteous, timely, and customer-focused meal and beverage service. Coaches staff on service standards, monitors guest satisfaction, and addresses service concerns to maintain a consistently positive dining experience.
- Directs proper storage, labeling, rotation, and handling of all food products and supplies. Monitors inventory levels, identifies waste trends, and implements strategies to maintain freshness, reduce loss, and ensure compliance with safety and quality standards.
- Manages ordering of food and supplies from approved vendors, ensuring accuracy of deliveries, resolving discrepancies, and maintaining detailed inventory and purchasing records. Evaluates vendor performance and recommends adjustments as needed.
- Oversees sourcing and purchasing of food and supply items from local vendors when primary suppliers cannot fulfill needs. Ensures all purchasing aligns with organizational policies, cost-control strategies, and budget guidelines, and negotiates pricing when appropriate.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---
