JOB SUMMARY

The Testing Services Assistant supports the efficient operation of the Office of Accessibility (OA) Testing Center by assisting the Testing Services Coordinator with the coordination and proctoring of accommodated exams.

RESPONSIBILITIES

- Assists test-takers for the duration of the testing process to include check-in, computer start up, and assisting with any problems which may arise during the exam.
- Serves as a certified testing administrator adhering to all proctoring requirements. Addresses academic dishonesty and procedural incidents that occur and involves peers, as warranted. Contacts vendor support representatives to resolve technical issues.
- Assists with the implementation of test security protocols at all locations, establishes and maintains test files, and assists in the preparation of databases and records.
- Maintains familiarity with databases and testing software used by the university. Maintains confidentiality of all client information.
- May provide administrative support functions such as test registration activities, copying, running reports, faxing, and mail distribution.
- Performs front desk reception responsibilities to include answering and directing phone calls, scheduling appointments, appointment reminder calls, receiving required documentation from testers checking in for an exam, accepting deliveries, directing customer service, and checking out testers.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
