**JOB FAMILY AND FUNCTION**

Job Family:	Transportation
Job Function:	Flight Operations

**JOB SUMMARY**

The FBO Customer Service Representative or Coordinator, provides exceptional customer service to all clients at the AU Regional Airport Fixed Base Operator (FBO) facility. This role involves handling a variety of tasks to ensure smooth operations and a positive experience for all customers, including corporate travelers, pilots, private plane owners, business and community partners, the aviation community, state government officials, University Board of Trustees, and alumni, in accordance with applicable Federal Aviation Administration (FAA) guidelines.

**RESPONSIBILITIES**

- Performs multiple administrative and clerical duties, including data gathering, data management, correspondence, filing, calendar management, mail distribution, and providing telephone support to airlines and administration.
- Communicates regularly with line service personnel to ensure proper fueling of planes, to include correct gallon amounts and type of fuel needed based on aircrafts specs, as well as provides notification of inbound and outbound aircrafts to line crew, via Unicom radio.
- Prepares reports and maintains airport activity records in physical and electronic filing systems. Maintains all records required by FAA for airport operating certificate. Issues Notices to Airmen (NOTAMS), weather advisories, and maintains daily log used to document airport activity for critical decision making.
- Processes readiness documents, administers the aircraft configuration status accounting program and verifies aircraft utilization reports.
- Coordinates sales of pilot supplies, including processing fuel sales and ramp fees, prepares and reviews all sales and billing materials, maintains organization of the flight dispatch operations control area.
- Coordinates with Flight School on fuel orders, issues on the field, and billing of maintenance work orders performed on flight school aircraft.
- Coordinates with rental car companies regarding billing, issuing vehicles, and receiving returned vehicles.
- Ensures proper billing of work orders to the maintenance department, including detailed labor descriptions, squawks, parts and shipping charges.
- Operates runway and taxiway lighting system while communicating with inbound pilots in order to provide assistance with landing aircrafts and direction to the proper airport terminal ramp. Communicates regularly with clientele using the Unicom radio and uses proper aviation terminology.
- Escorts contractors, dignitaries, and other personnel as necessary in terminal and airfield; assists airport users with paging services, flight information and related services.

## RESPONSIBILITIES

- Performs other duties as assigned.

## SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

## MINIMUM QUALIFICATIONS
