JOB FAMILY AND FUNCTION

Job Family:	Transportation
Job Function:	Parking & Transit Services

JOB SUMMARY

Reporting to the Associate Vice President of Administration Effectiveness, the Director of Transportation Services is responsible for providing leadership, expertise and management of all transportation operations on the Auburn University campus, including management of Tiger Transit operations, jAunt Accessibility Service, AU Employee and AU Student Shuttle service. Ensures work quality and adherence to established federal, state, and local regulations regarding operations and safety policies and procedures. Responsible for developing and implementing a strategic plan for transportation on the Auburn University campus as well as ensuring programs and services are actively communicated to campus constituents and visitors.

Works closely with the Director of Parking Services to ensure sufficient alternate modes of transportation for AU faculty, staff and students. Coordinates assigned activities through collaboration with other divisions, outside agencies, and the general public. Provides highly responsible and complex staff assistance to the Associate Vice President, Administrative Effectiveness.

RESPONSIBILITIES

- Evaluates, develops, and implements changes, enhancements and improvements for the Auburn University Transportation Services identifying and utilizing new technology and developments in the transportation industry. Attends regional and national conferences to review and evaluate new initiatives to determine if they are applicable to the development of the strategic vision for the University Transit Services operations, which includes the day-to-day operations as well as special service routes and charter operations of the transit vendor, employee shuttle, and JAunt mobility golf cart service.
- Directs daily activities of the AU Transportation Services team and the transit vendor, to include supervision, safety, scheduling, and customer satisfaction.
- Develops the annual budget, monitors spending, and develops policies for vendor operations, special university transit requirements, and departmental operations. Provides reports to the Executive Vice President on the transit vendor's daily and weekly performance, along with data for the other transportation options on campus.
- Reviews all incident and accident reports. Reviews all complaints for validity and adds corrective actions as needed.
- Reviews all construction projects for potential impact on AU transportation options, and plays an active role in the discussion of the Campus Master Plan, ensuring all transportation options are considered.
- Assists with various special projects assigned by Administration that involve the transportation on the Auburn University campus. Serves on the Lee-Russell County Council of Governmental Transit Technical Advisory Committee.

RESPONSIBILITIES

- Works closely with Campus Safety and Security and Auburn Police Department to enhance student safety for all transportation departments.
- Ensures all University owned vehicles are properly maintained.
- Oversees and performs all route design and schedule changes. Performs all programming of the Transportation Tracking System.
- Works directly with the Athletics Departments to bring the best game day experience to campus for home sporting events.
- Performs other related duties as assigned by the Associate Vice President of Administration Effectiveness.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
