JOB FAMILY AND FUNCTION

Job Family:	Theatre & Arts
Job Function:	Art Studio

JOB SUMMARY

Coordinate the preparation of materials and maintains the equipment and spaces necessary for safe workable studios as required by the Art Department and faculty.

RESPONSIBILITIES

- Supports the Art Department in the safe operation and set up of equipment in it various art studios including, but not limited to, sculpture, ceramics, wood and metal fabrication; prepares and organizes studios as required by purchasing and/or setting up equipment; services and installs equipment and tools as necessary.
- Designs and fabricates new equipment required for faculty research and instruction.
- Demonstrates and supervises the appropriate and safe use of a wide range of equipment, supplies, chemicals, and materials preparation for students, staff, and faculty; responds to student inquiries about the same.
- Provides follow-up technical instruction on the use of stationary power tools for wood-working, metal fabrication, and ceramics work; assists students and ensures the safe operation of portable power tools such as saws, drills, and grinders as required
- Assists faculty and students with research of new methods and techniques for art making; assists faculty in demonstrating methods/practices of design and fabrication; assists students and faculty with art work and equipment that involves the use of electronic sensors, motors, lights, and other mechanical and electronic devices; assists with technical design aspects of this work.
- Designs, fabricates, and modifies equipment, shelving, storage, work benches, and other shop furniture using metal and wood.
- Plans course support needs in conjunction with faculty, and orders and/or purchases supplies and services as required; receives, monitors and maintain the supplies inventory for courses.
- Conducts walk through inspection of studios to identify building repair and cleaning needs and coordinates necessary services; liaises with Facilities and Risk Management and Safety regarding student first aid, security, equipment security, space use, and storage of equipment and furniture.
- Assists with budget estimates for course supplies; monitors expenditures in cooperation with faculty.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
