JOB FAMILY AND FUNCTION

| Job Family: | Campus Services |
|---------------|-----------------|
| Job Function: | Campus Safety |

JOB SUMMARY

Reporting to the Vice President for Institutional Compliance & Security, the Assistant Vice President for Campus Security & Compliance serves as a senior leadership position and is responsible for overseeing and ensuring the safety, security, and regulatory compliance for Auburn University's

campus and environment. This role will collaborate closely with the VP for Institutional Compliance & Security to develop and implement strategies, policies, and procedures that maintain a secure and compliant campus, providing a safe and conducive learning and working environment for students, faculty, staff, and visitors.

RESPONSIBILITIES

- Security and Emergency Response: Leads the development, implementation, and management of campus security protocols, including access control, surveillance, and incident response. Sets the strategic direction and oversight of the campus emergency response plan including coordinating drills and managing crisis situations as needed.
- Compliance Management: Through oneself and others, responsible for the ongoing monitoring and compliance with local, state, and federal regulations related to campus security and safety. Stays abreast of evolving compliance requirements and adapts policies and procedures accordingly. Develops a strategy to inform all stakeholders regarding compliance and regulations.
- Policy Development: Collaborates with the Vice President and other stakeholders to develop and revise security and compliance policies to maintain alignment with best practices and changing needs.
- Risk Assessment: Conducts or directs others to conduct risk assessments to identify potential security threats, vulnerabilities, and compliance gaps. Coordinates with senior leadership and other stakeholders to evaluate risk and determine mitigation strategies.
- Team Leadership: Supervises and leads the Campus Safety and Security department, a team of security and compliance professionals. Develops and communicates a clear departmental vision and mission. Recruits, selects, and retains departmental employees. Provides ongoing coaching, guidance, training, and performance evaluations to ensure the department's effectiveness.
- Budget Allocation Requests: Responsible for the department's budget ensuring cost-effective allocation of resources for security and compliance initiatives.
- Stakeholder Engagement: Responsible for building and establishing positive and strong relationships with campus stakeholders, law enforcement agencies, and relevant external organizations. Serves as primary university liaison to local, state, and federal law enforcement and emergency response agencies.
- Data Analysis and Reporting: Utilizes data and metrics to assess the effectiveness of security and compliance programs. This entails collecting, analyzing, and interpreting relevant data. Prepares and presents regular reports to the Vice President and other senior leaders
