JOB FAMILY AND FUNCTION

Job Family:	Human Resources
Job Function:	Compensation

JOB SUMMARY

Reporting to the Manager, Classification & Compensation Administration, this position reviews, researches, analyzes and recommends position classification and compensation pay action decisions according to Auburn University policy, procedures, and processes.

RESPONSIBILITIES

- Facilitates the coordination, review, evaluation, and recommendation of adjustments within area of responsibility while adhering to existing policy, procedures, and practice. This includes job analysis, job evaluation, market pricing, assigning FLSA designation and applying the internal pay decision tool. Collaborates with peers who are also providing services and support for the same area of responsibility in order to provide seamless customer service and quick response times.

- Assists with advisement of employees, supervisors, department heads, and Human Resources Liaisons on compensation and classification practices, policies and procedures via phone, email, or in person. Asks questions to gather appropriate information, and provides recommendations which are consistent with university objectives. Notifies supervisor of any irregular occurrences or potential issues that are not consistent with AU or Compensation practices, policies and procedures.

- Creates standard job descriptions and collaborates with customers to revise position descriptions in alignment with the established organizational structure, job architecture, and established methodology.

- Reviews, analyzes, and processes salary offers. Ensures supervisor reviews and supports offers whose collaborative salary recommendation is outside of the suggested salary interval.

- Participates in local, regional, and national salary surveys and peer requests and conducts classification and compensation studies of market data, salary budgets, pay range movement, and pay practices.

- Supports overall compensation operations, service, and support through the creation, development, and maintenance of tools, processes, systems, and framework to include Smart Sheet processes, AU Pay Evaluator, and job architecture.

- Coordinates the development, collection, calculation, tracking, and review of Compensation related metrics, and assists with analysis. Develops and publishes informational reports and dashboards used within various compensation administration processes.

- Maintains awareness of, reviews, maintains, promotes, and implements compensation-related strategies, programs, policies, procedures, and practices.Assists in the identification of process- and practice-related opportunities for improvement and collaborates with supervisor to implement continuous improvement activities. Creates compensation-related content for training, presentations, and meetings and may assist with delivery to HR Liaisons, supervisors and employees.

- May perform other duties as assigned by supervisor.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
