JOB FAMILY AND FUNCTION

Job Family:	Administration & Operational Support
Job Function:	Administrative Operations

JOB SUMMARY

Under close supervision, provides routine administrative, financial, and analytical support for all Facilities areas. Performs routine administrative work relating to the coordination of events, meetings, or other areas involving sensitive information.

RESPONSIBILITIES

- Provides general administrative support including, but not limited to, preparing agendas, notices, minutes, reports, and documents; gathering and managing data; providing correspondence, filing, and recordkeeping; preparing and processing forms; overseeing mail distribution and outgoing mailings; and purchasing/ordering supplies through material requests and other methods.
- Acts as a point of contact to other departments, students, faculty, customers, and outside agencies and vendors. Retrieves and disseminates information to internal and external stakeholders.
- Processes and tracks purchase orders, invoices, bid proposals, contract transactions and related financial transactions for responsible area.
- Supports department Human Resource functions including, but not limited to, hiring process, on-boarding process, training coordination, performance reviews, and corrective actions. Exercises discretion concerning sensitive and confidential information.
- Assists in entering and maintaining data and metrics for analyzing and monitoring the effectiveness of departmental initiatives. Assists in entering, monitoring, and evaluating data within designated facilities systems. May assist in maintaining asset databases to ensure accuracy for current and retired equipment.
- Coordinates designated programs ensuring necessary equipment, tools, supplies and/or uniforms specific to departmental needs.
- Coordinates personnel and meeting schedules for responsible areas.
- Assists in tracking budget for responsible area, ensuring all financial transactions and records are accurate.
- Assists in planning and coordinating large or complex projects as well as various department processes. May support projects in responsible area with funding requests, budget processing, schedule planning, and general project coordination.
- May oversee and maintain data system(s) including, but not limited to, work orders, equipment inventories, project templates, and/or other related information.
- Responsible for meeting and maintaining all training and certification requirements as outlined by Auburn University Facilities Management policies.
- May perform other related duties as assigned.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---
